

## Hubungan Akrab Kim Kardashian dengan Balenciaga: Penampilan yang Menggoda

### Description

Balenciaga's new campaign

The famous Balenciaga's campaign, featuring teddy bears in harnesses, has caused shock in 2022. However, the fashion house is making a comeback with new faces such as Kim Kardashian, who also temporarily stopped her relationship with Balenciaga. Still, now she has become an ambassador for the brand. Patricia Field, 82, an enthusiast of quirky alternative style, is also part of the new campaign, appearing in an ad posing with Balenciaga's top-selling handbags. Initially, she thought that they wanted her services as a stylist but was excited to find out that they wanted her as a model.

Zac Posen Dresses the "Swans"

"Feud: Capote vs. The Swans". Ryan Murphy described it as the original "Real Housewives," starring Babe Paley, Slim Keith, and C.Z. Guest. The show's costumes were whipped up by Zac Posen, who aimed for verisimilitude by honoring their looks and reimagining the history. The series is set to air on Jan. 31, with Zac Posen's costume designs featured in an episode on Feb. 7.

One Pricey Spray of Tulle

The tutu Sarah Jessica Parker wore in the "Sex and the City" opening credits was sold for \$52,000 at Julien's Auctions in Beverly Hills. The tutu was purchased for \$5 by Ms. Field, the show's costume designer, and found in Manhattan's garment district's remnant bin. The high price reflects the popularity of iconic fashion pieces in pop culture.

A Knight at the Brooklyn Museum

Matthew Yokobosky, the senior curator of fashion and visual culture at the Brooklyn Museum, was named Knight in the National Order of Merit at the French Consulate in New York in recognition of his contributions to fashion and culture. The honor was for his “forward-thinking,” his “contributions that helped shape our culture,” and his passion for French style. As a result, he is known as Chevalier Yokobosky or simply as monsieur.

In conclusion, the fashion world is evolving dynamically with new campaigns and reliving iconic fashion moments. Balenciaga’s new campaign and Zac Posen’s historical costume designs are creating a buzz in the industry. The high price for Sarah Jessica Parker’s tutu reinforces the significance of iconic fashion items, while honor given to Matthew Yokobosky acknowledges the impact of French style in fashion and the significant contributions of key industry figures.
