

## Ini Dia Rahasia Album Jennifer Lopez “This Is Me ... Now: Kisah Cinta yang Menawan” yang Harus Kamu Ketahui!

### Description

Jennifer Lopez made waves with her self-financed multimedia project “This is Me ... Now: A Love Story”, which is now available on Amazon Prime Video. The 65-minute spectacle leaves viewers questioning if it’s a movie, a collection of music videos, or a simple vanity project, blurring genre lines.

Ben Affleck is briefly glimpsed as a character called the Biker, but his presence in the project remains mysterious. His bookend appearance as a lost love offers little insight, and it might have served better to have less of Affleck on the screen and more of him on the page.

Lopez taps into her past marital history, making references to her former partners in a whirlwind rom-com wedding sequence. The cost of the entire project is reported to be \$20 million, with high-profile guest stars including Jane Fonda, Keke Palmer, Trevor Noah, Post Malone, Neil deGrasse Tyson, and others.

Anthropomorphized zodiac signs form a sort of Greek chorus to watch over Lopez’s character, offering comic relief and adding vibe without intervening in the action. The character relies on zodiac signs to determine interpersonal compatibility, sparking similarities with real-life situations where Lopez reportedly cut Virgos from dance auditions.

While Lopez touches on several genres in the project, including visual poetry, some feel that there aren’t enough moments of artistry or insights to classify it as a visual concept album. Despite presenting herself as someone ready to reveal all, Lopez’s character reveals very little, planting seeds of doubt about whether the project is truly a love story. So, in the end, is it really a love story at all?
