Prada's Viral Lip Balm is Back in Stock at Nordstrom

Prada's Moisturizing Lip Balm in the shade 001 Astral Pink has finally been restocked at Nordstrom after selling out quickly. One likely reason for its popularity is its appearance in Sabrina Carpenter's music video, sparking a trend among fans. The balm, which is actually blue in the tube, applies transparent and adapts to the pH of the lips to create a universally flattering pink tone with a glossy finish.

The Power of Influencer Marketing

Sabrina Carpenter's influence on beauty trends is substantial, with her makeup choices often inspiring fans to try new products. The Prada lip balm gained attention when it was featured in her music video, leading to high demand and subsequent sell-outs. The balm's nourishing formula infused with bifidus extract and jojoba oil has been a hit among shoppers, with a 4.5-star rating on Sephora and Nordstrom.

Impressed Shoppers Rave About the Lip Balm

Over 21,000 Sephora shoppers have favored the Prada lip balm, with many praising its lightweight texture, dewy finish, and luxe packaging.
